## Information About Safety Solutions for Bus

Dear Parent,

*Greetings from Griffins International School!*

**Griffins International School**, in association with **NrXen IT Technologies**([www.nrxen.com](http://www.nrxen.com)), plans to provide latest solutions for safety of bus boarding students. Parents can use smartphone app **nStud - My School Bus**  to track their wards transport bus in real time and get useful alerts.

Key features of solutions are mentioned below

- **Proximity alert for pick-up and drop:** You will be notified through the **nStud - My School Bus** app as soon as your kid's school bus approaches his/her pick-up or drop location.
- **Check the location of your kid's bus during pickup and drop timing:** You can use the **nStud - My School Bus** app to see the location of your kid's school bus during pickup and drop timing from anywhere to plan for your other tasks accordingly.

### Steps to use nStud - My School Bus App:

Please follow these steps to use the smartphone App:

1. Open Play Store (Android phone users) or App Store (iPhone users). Search **nStud**  (from **NrXen Technologies**).
2. Install the App. Once installed, the app will show up as **nStud - My School Bus**  in your phone.
3. Open the App. If you are running the App for the first time, it will ask for your contact number. **Provide your number shared with school as primary contact number** and then tap the Submit button.
4. You will receive One Time Password (OTP) as SMS **at the primary number** you provided. Type that OTP in the password field. Tap the Submit button.
5. The App will show you all the routes your kids travel on. **If you get any other screen, please check/correct the primary number with us.** You can tap on any of the route and see the current location, distance and estimated time of arrival of the vehicle in that route (**Only during the pick- up and drop durations**).

Please feel free to call NrXen's support team at **98315 53000** between 10:30 AM to 6 PM on MONDAY to SATURDAY or WhatsApp at **+919831553000** or email them at [support@nrxen.com](mailto:support@nrxen.com) in case you need any help.

**\*\*Note:** The tracking of the bus in the **nStud - My School Bus** App is indicative and near-real. The correctness of information is dependent on third party external factors which are beyond the control of the App or NrXen IT Technologies or **Griffins International School**.\*\*

Regards  
Principal
