Dear Parent,

Greetings from Griffins International School!

Every school has a story. A story of dreams, dedication, and the bright smiles of children who are shaping tomorrow. We are creating a Corporate Film to showcase this journey, and we believe that no story is complete without the heartbeat of our school community — you, our parents .

This is not just a film; it is a legacy project, a memory that our children will cherish for years. By participating, you become the voice and face of the values we nurture together: learning, compassion, and growth.

Who Can Participate

- If you feel confident in speaking, we warmly encourage you to join.
- If you are unsure or nervous, don't worry — we will guide you completely.
- Whatever you want to say will already be written there for you.
- A teleprompter will be available so you can comfortably read instead of memorizing.
- A professional director will be present to guide you step by step.
- You can also read the script from another mobile while recording with a different one.
- Or use the free Teleprompter App:

Download Here : <https://play.google.com/store/apps/details?id=com.ayman.elegantteleprompter>

So please don't let hesitation hold you back — this opportunity is open for everyone!

Sample Script for Parents' Audition:

"As parents, we feel proud to see how this school shapes not only our child's education but also their values and character. Here, learning goes beyond textbooks — it nurtures confidence, kindness, and creativity. We are grateful to be part of this journey where every child is encouraged to dream big and shine bright."

This is a wonderful chance to step in front of the camera, inspire with your words, and be a part of something that represents the love and pride we all share for our school.

Together, let's create a film that our children will look back on and say, "That's my school, and that's my family."

Regards
Principal
